## **AQC TESTIMONIALS**

I'd be lost without Affordable Quality Cleaning Services. Friendly and courteous people are always a pleasure doing business with. The service is excellent! If everyone could be as customer focused as you, life would be so much easier. Your company is truly upstanding and is behind their services 100%. Affordable Quality Cleaning Services has completely surpassed my expectations time and time again!

I cannot say enough about how pleased I am with the service provided by Affordable Quality Cleaning. The Staff at AQC has at all times been extremely professional and very responsive. She truly cares about her customers and has set very high standards for her employees to meet. AQC's positive attitude shows their staff. AQC cleans my facility twice a week and they continually do a superb job. They are a delight and we look forward to their visits. The bottom line: AQC does a great job at an affordable price and makes my job easier.

The Community was promised "quality" cleaning at an "affordable" cost. AQC has delivered on their promise and the community is looking forward to a happy and long relationship with the company. I have recommended AQC and their staff to dozens of other managers. Thanks AQC for making my job a little easier!

Affordable Quality Cleaning has been keeping The Plaza Grande at Old Bridge looking pristine since day one. The community has grown to love the regular staff members who arrive each week with a smile on their faces to clean our buildings and clubhouse. The level of service from AQC meets our resident's expectations and management demands each week. The support staff has gone out of their way to meet all of our last minute and urgent needs as well. AQC provides us with an irreplaceable service here at the Plaza Grande!

### AQC TESTIMONIALS

Since our Active Adult Community in Manalapan started using Affordable Quality Cleaning for our Community Clubhouse, over 2 years ago we have never been unhappy with their service, Always professional and if there is ever a problem it is quickly resolved. Communication with the staff and their supervisors is superb. Highly recommend their service.

**Makom Management Services**

---

"Sometimes you hire a small company with fingers crossed that the quality of service lives not only up to their promise but their employees are hired knowing how to get the job done with reliability and responsibility. *Quality Affordable Cleaning Service* is one of those year-to-year small companies you can rely on. AQC should be commended on their efforts to keep my office area clean. Never short cuts, very customer oriented."
